

voltage-gated potassium channel complex

voltage-gated potassium channel complex

Enrichment in spots: voltage-gated potassium channel complex

Expression of voltage-gated potassium channel complex in Spot A

Δe

Expression of voltage-gated potassium channel complex in Spot B

Expression of voltage-gated potassium channel complex in Spot C

Expression of voltage-gated potassium channel complex in Spot D

Expression of voltage-gated potassium channel complex in Spot E

Expression of voltage-gated potassium channel complex in Spot F

Expression of voltage-gated potassium channel complex in Spot G

Expression of voltage-gated potassium channel complex in Spot H

Expression of voltage-gated potassium channel complex in Spot I

Expression of voltage-gated potassium channel complex in Spot J

Expression of voltage-gated potassium channel complex in Spot K
